Certificate of RoHS Compliance

January 13, 2013

NetBurner products are RoHS compliant as of March of 2006, and RoHS2 compliant as of January 13, 2013.

Restriction of Hazardous Substances (RoHS2)

To the best of our knowledge, based on the information from our suppliers and internal processes within our operation, modules manufactured by NetBurner do not contain any of the hazardous substances above their acceptable limits as described in DIRECTIVE 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment:

Hazardous Substance Limit

Cadmium	100 ppm
Hexavalent Chromium	1000 ppm
Lead	1000 ppm
Mercury	1000 ppm
Polybrominated Biphenyls	1000 ppm
Polybrominated Diphenyl Ethers	1000 ppm

Disclaimers

All information provided in this Certificate of Compliance is accurate, to the best of our knowledge, as of the date this certification was issued. This certification applies only to NetBurner Pb-free semiconductor devices and is made based on NetBurner's understanding of European Union Directive 2011/65/EU and a diligent review of the known and recognized substances contained in each homogenous material used to manufacture its Pb-free devices. Customers must specifically order Pb-free semiconductor devices to assure receipt of only Pb-free, RoHS-compliant semiconductor devices.
